Gentlemen:

PLEASE REVISE PAGE 2 OF THIS REPORT

National Coin Week was brought to the attention of members of San Diego Numismatic Society, Convair Coiners, Clairemont Coin Club, Heartland Coin Club, San Diego Error Club, International Numismatic Society of San Diego & Oceanside-Carlsbad Coin Club by William S. Wright, in late March and early April. These clubs are part of San Diego County Inter Club Numismatic Council; other clubs in the Council were not contacted by Bill because he is still recovering from major surgery of March 1, 1974 and had to stay in his home most evenings.

Liaison between Vice Presidents, Public Relations Personnel, and Branch Managers of financial institutions willing to permit club members who wish to display during NCW was provided during working hours. The Non-Numismatic participating individuals and their titles are as follows:

Some club members took the time to prepare displays while others were reluctant to leave their coins out of their sight without someone standing guard over them at all times; some that had displayed before just didn't have the time to prepare a display or were out of town at Coin Shows or Conventions.

Club members in other cities of San Diego County had displays in their towns but types and where displayed are unknown to the writer.

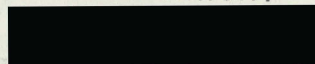

Respectfully,

William S. Wright, L.M. 1119
